

ACC-53 Instruction

Step 1: Stitch A08, A09 and A10 on right place on A01 according to the orienting line, don't forget shoot 2 male magnetic buttons in the middle of A08

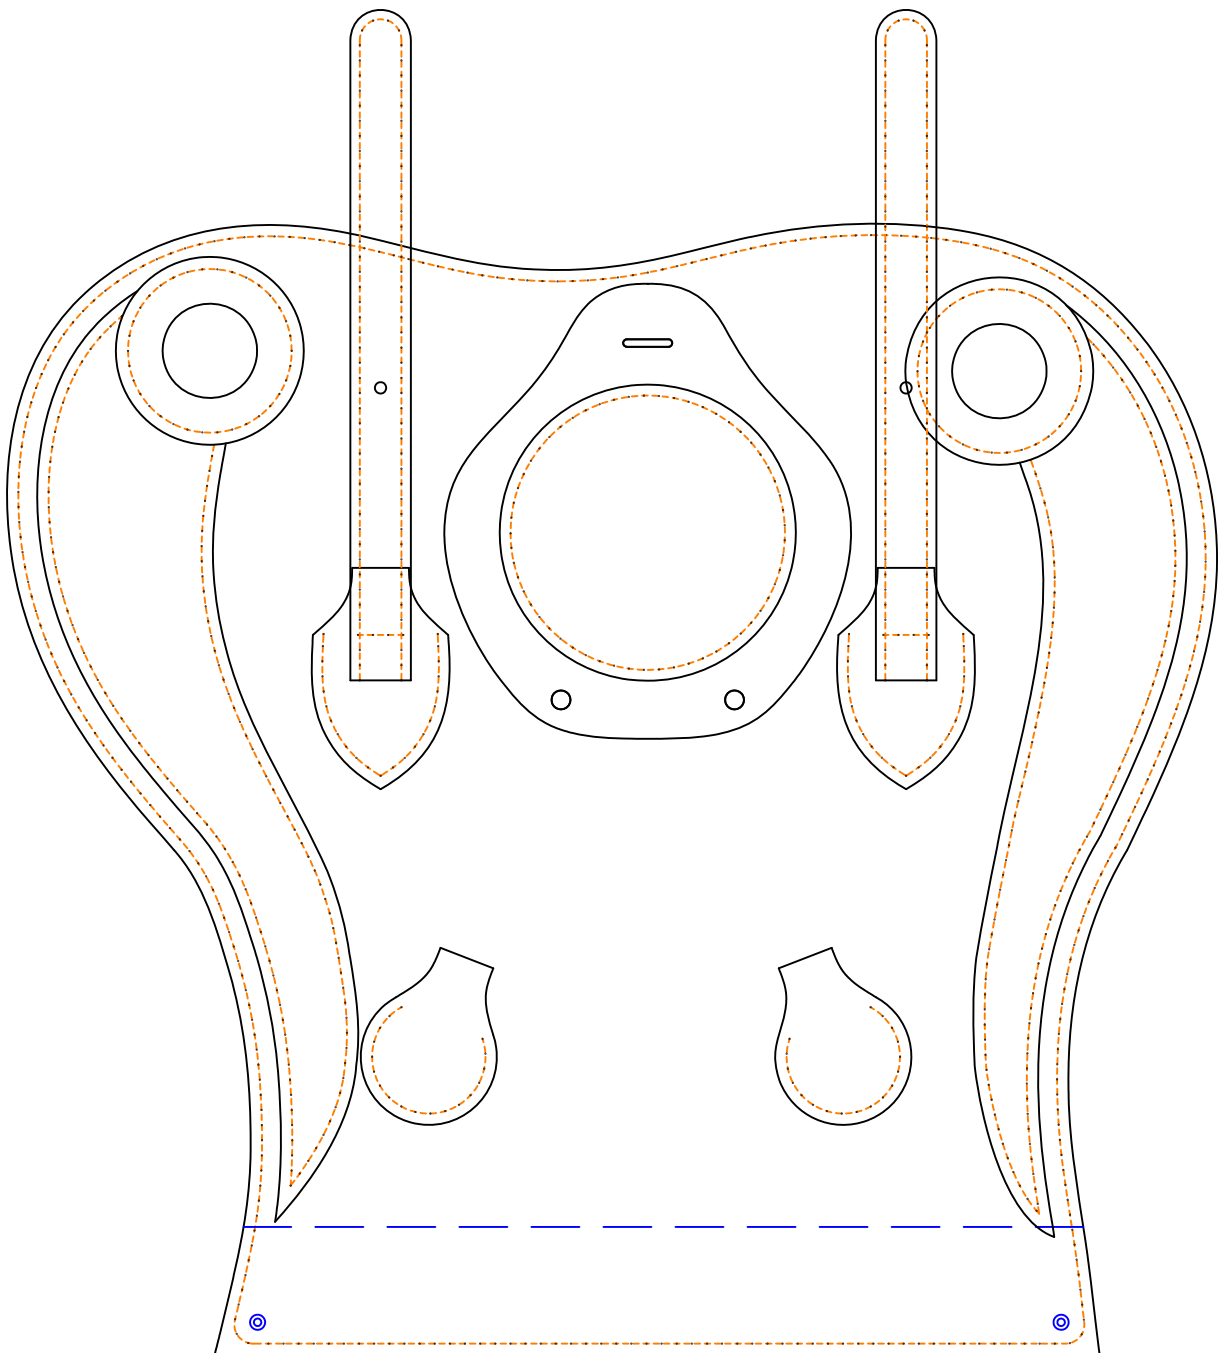

Step 2: Stitch A12 on A11.

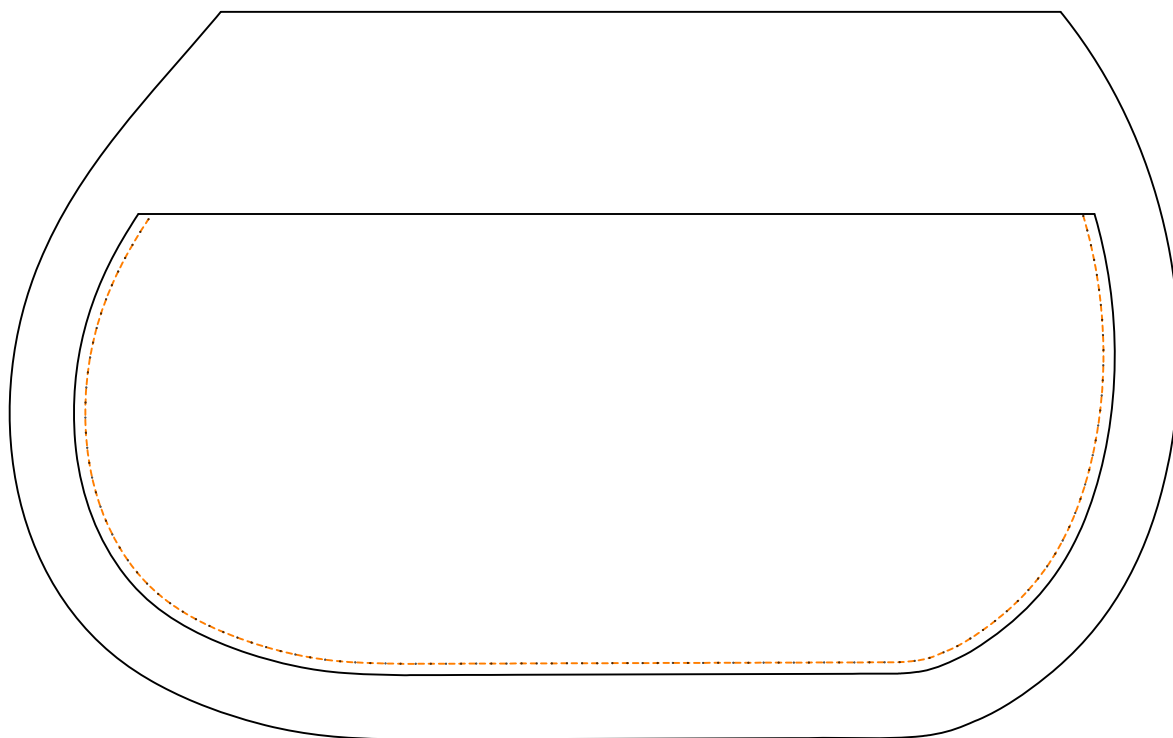

Fold A15, before doing that, put D-ring in, and stitch them on A11, don't forget install two conchos to decorate.

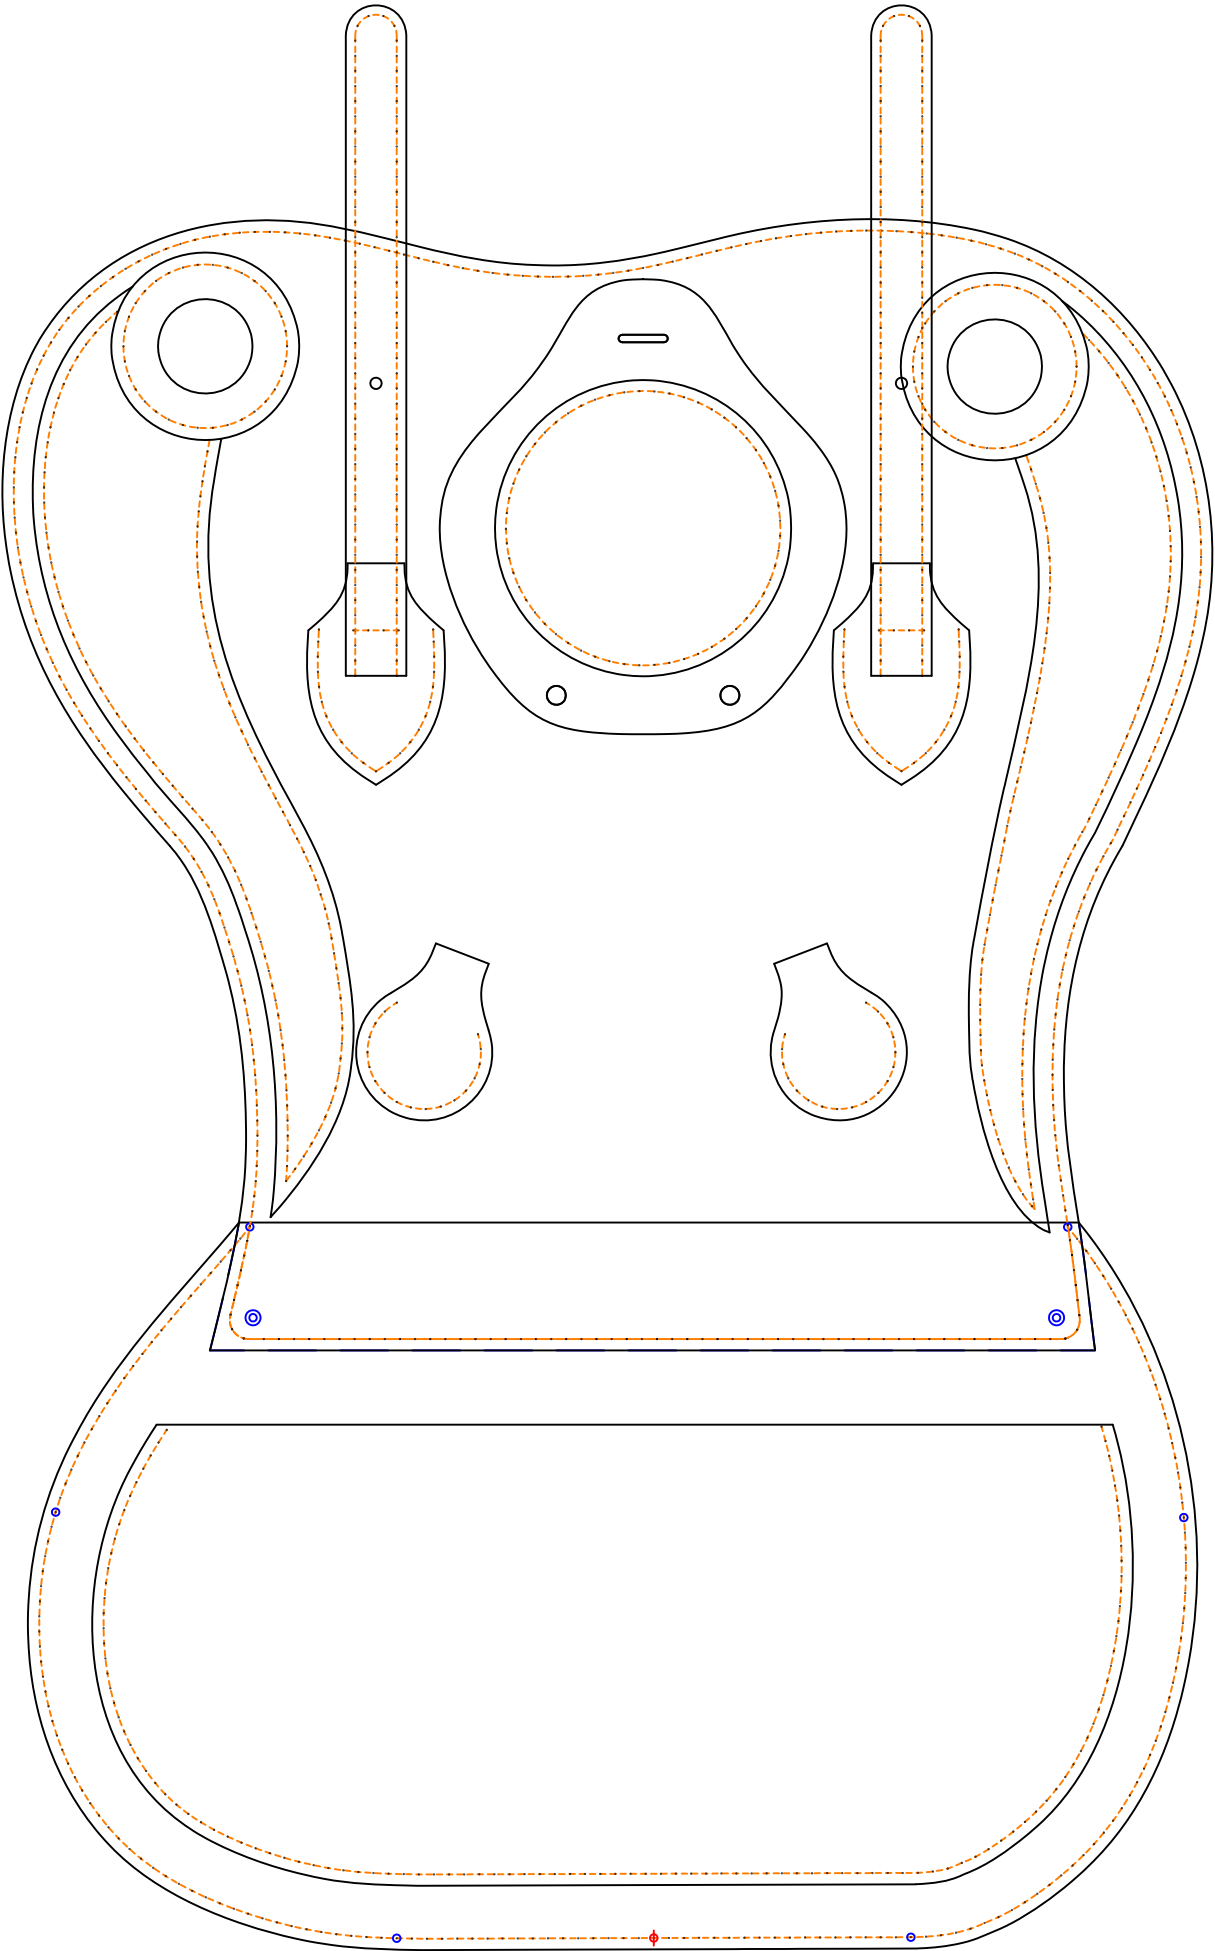

Step 3: Here is a key step: Cut 4 pieces of A15, stitch each 2 flesh side to flesh side, 1.0mm leather is advised. Then fold A13, put A13's "tail" into its "body" and stitch with A15. Then stitch A13 on A01.

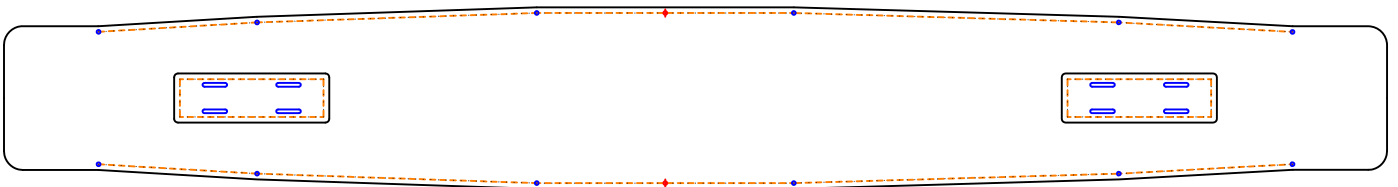

Step 4: Stitch A04 on A03 according to the orienting line.

Step 5: Shoot 2 rivets to combine A01 and A03.

Step 6: Make the gusset. Make leather loops and stitch A07 on A05

Step 7: Make the shoulder belt. Stitch A18 on A17, and make leather loop.

Step 8: Stitch the gusset with A02 and A03 to form a whole bag.
