A close-up photograph of a piece of brown leather, likely for a book cover or folder. The leather is a medium brown color with a slightly textured surface. It features several parallel, diagonal white lines, which appear to be hand-stitched or machine-stitched, running from the top left towards the bottom right. The leather is placed on a light-colored surface with a faint grid pattern. A large, white, bold number '7' is overlaid on the left side of the leather piece.

## Edge finish

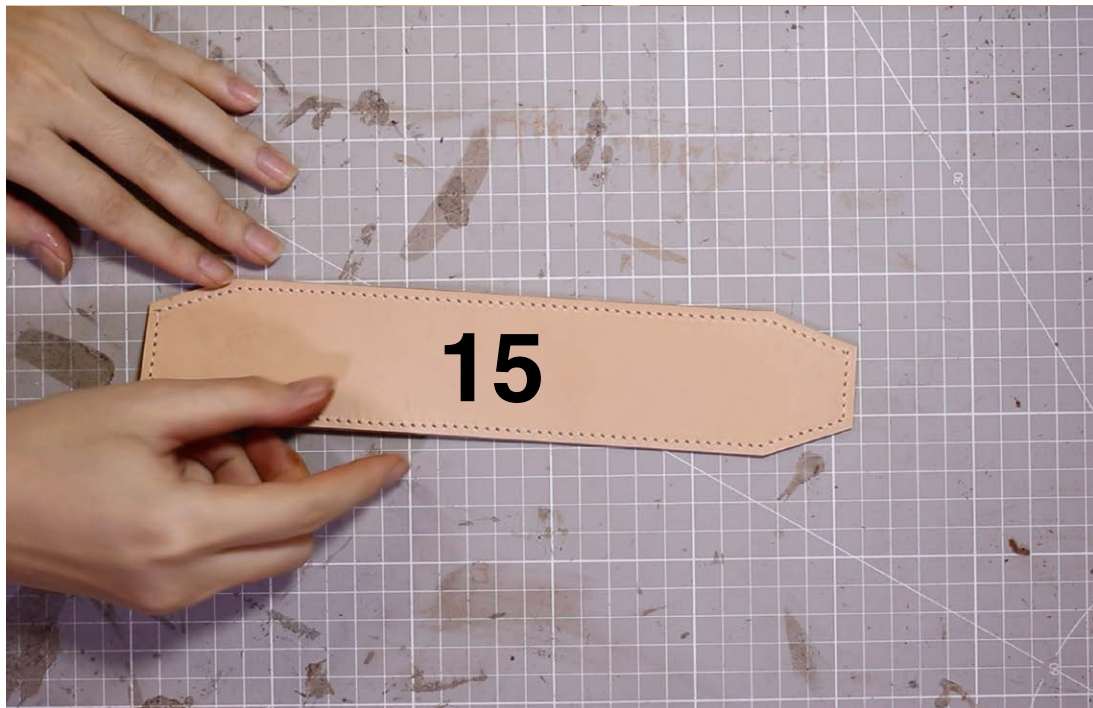

The image shows two horizontal strips of brown, textured paper. Each strip has the number '15' printed in a large, bold, black font. The strips are placed on a grey background with a white grid pattern. The top strip is slightly shorter than the bottom one. There are some brown stains and debris on the grid background.
